

Laykold®

Laykold® Masters Ultra 3 is the next generation of liquid-applied cushioned surfaces. Micron rubber particles are sprayed or squeegeed to create a shock-absorbing layer for enhanced player comfort, then finished with factory-textured, premium grade LM TopCoat acrylic colors for long-lasting beauty.

MASTERS ULTRA 3 New Asphalt

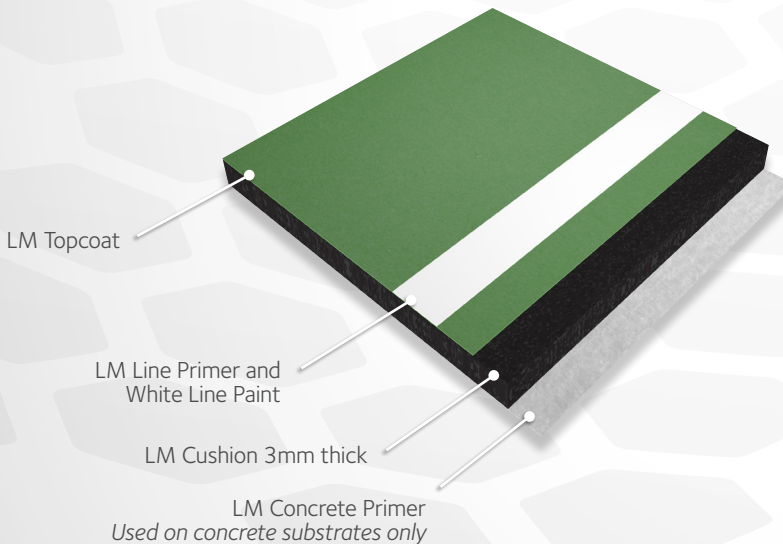

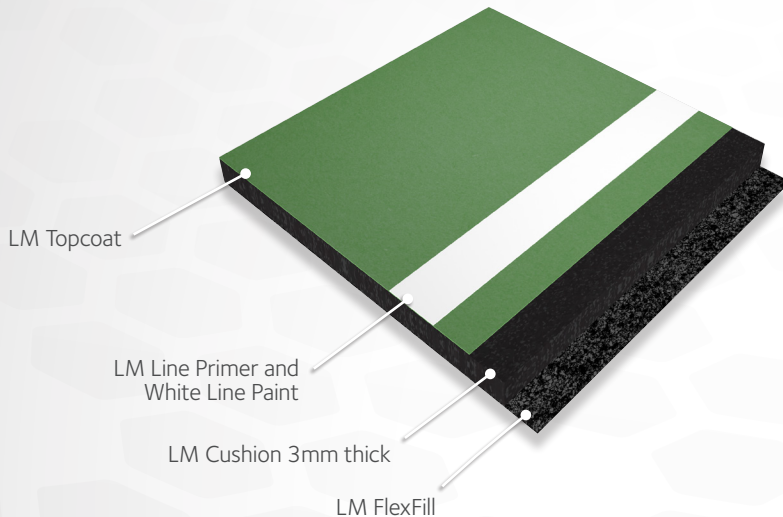

* Material consumption rates vary based on new or previously coated asphalt.

Highlights

- 5-year warranty
- Liquid-applied cushion with fewer applications
- Superior force reduction properties to other systems of equal thickness
- Superior abrasion and UV-resistance
- Multisport applications
- Manufactured by APT in an ISO 9001 Quality Assured and ISO 14001 Environmentally Conscious facility
- Wide variety of factory-textured colors available

MASTERS ULTRA 3 Concrete

* Previously coated concrete must first be stripped of all coatings before application.
